HRLynk System Assessment Form

We are students from CSS taking Bachelor of Science in Information Systems conducting a system usability evaluation as part of our thesis project. The purpose of this study is to assess the usability of the system and gather feedback on your experience. Your input will help us identify areas for improvement and enhance the overall user experience.

I agree to participate in the system testing for the thesis project "HRLynk: Developing a Web-based Module for Learning and Development." I understand the purpose of the study, the nature of my participation, and my rights as a participant.
